Hi Sandy,

Per our conversation just now, here's the email I received from Chris. We spoke to Chris briefly this morning but he is at the mine and has very poor signal. Libby

FYI there is a public meeting on Thursday in Durango. I will attend..but I've mainly been up in silverton most of this week now helping coordinate upcoming site tours. Also as an FYI Todd Hennis is bringing channel 4 and 9 to the mine today and has. Been coordinating with Steve on this.

Ben Carson presidential candidate is giving a speech in Durango and fly over tour of the mine today
